

Tool #17 – Impossible Made Simple

Name: _____

Date: _____

School / Class / Department: _____

Q1. Pick something you think is extremely difficult.

Help: Choose a subject that feels far above your level.

Q2. Write down everything you know, don't know, and wonder about it.

Help: Dump all thoughts onto the page.

Q3. What type of confusion is it—word, connection, or big picture?

Help: Choose the part that confuses you most.

**Q4. Research it (look online, ask a teacher, use trusted sources).
Note what you learned.**

Help: Add what clears up your confusion.

Q5. Explain it in simple words, as if teaching a younger student.

Help: Make it short and easy to understand.
